 JSWA Japan Sewerage  
World Association

# The 56<sup>th</sup> Japan Annual Technical Conference on Sewerage (JATCS) Call for Papers & Registration

JATCS is the largest annual conference hosted by Japan Sewage Works Association (JSWA). JATCS has been playing an important role in development of Japanese wastewater industry, new technology and expertise in order to achieve clean water. Last year, 38 papers were presented in English in 3 sessions while 410 papers in Japanese in 17 sessions and more than 2100 professionals participated in total.

JSWA welcomes international speakers and non-speakers to meet and exchange information and expertise with Japanese wastewater professionals from utilities, governments, private companies, academia, research institutes and NGOs.
